Smart Women, Smart Money

2009 Idaho Everywoman's Financial Conference

“Smart Women, Smart Money” financial conferences and workshops offer Idaho women of diverse ages and circumstances an opportunity to learn the necessary information to take control of their financial lives. The range of backgrounds includes everything from young teen mothers to women who are well into retirement. The message of the conference is that it is never too late, or too early, to learn about finances. We provide this education through general sessions and smaller “breakout sessions” where the women can choose topics which best meet their needs.

One of the most important elements of this conference is that it is free. This includes the conference registration, all materials, breakfast, lunch, and an afternoon snack. We want to make financial education available to anyone. Therefore, the funding for this conference comes from many generous sponsors. Without them, the conference would fail. All of our sponsors have the opportunity to have a booth at the conference where they can meet and talk with the over 1,500 women that attend each year.

Your contribution will support the financial empowerment of Idaho women to create and sustain their financial well-being.
